

PAMELA FARLEY SHORT

ADDRESS

504E Ford Building
University Park, PA 16802
E-mail: PamShort@psu.edu

Phone: 814-863-8786
Fax: 814-863-0846

EDUCATION

Ph.D., Economics, 1984, Yale University
B.A., Economics, 1975, Wellesley College, with highest honors

CAREER LISTING

- 1997 - present Professor, Health Policy & Administration, Demography, and Public Health Sciences; Director, Center for Health Care and Policy Research, The Pennsylvania State University
- Currently teaching research methods and an introduction to U.S. health care for graduate students. Recent and ongoing research projects include a study of cancer care in Appalachia (funded by the National Cancer Institute), a study of policy options for improving the stability of health insurance under national reforms (funded by The Commonwealth Fund), and a study of long-term effects of cancer survivorship on employment (funded by the American Cancer Society and the National Cancer Institute).
- Spring 2012 Visiting Scientist, Health Services and Economics Branch, Applied Research Program, Division of Cancer Control and Population Sciences, National Cancer Institute
- 1994 - 1997 Senior Economist; Director, Center for the Study of Employee Health Benefits; RAND, Washington, D.C.
- Projects included the Consumer Assessment of Health Plans Study; a study of gaps and transitions in women's health insurance for the Commonwealth Fund; and analyses of issues relating to employee health insurance benefits for the Department of Labor.
- 1994 Senior staff economist for health care issues, Council of Economic Advisers, The White House, Washington, D.C.
- Provided support to the Council and the President's health policy advisers during Congressional consideration of national health care reform.
- 1985-1994 Deputy Director, Division of Medical Expenditure Studies, Center for Intramural Research, Agency for Health Care Policy and Research (now the Agency for Healthcare Research and Quality), U.S. Department of Health and Human Services.
- Co-directed the design and analysis of the 1987 National Medical Expenditure Survey, an \$80-million data collection effort involving interviews with households,

Pamela Farley Short

employers, providers, and insurers.

- 1980-1985 Economist, National Center for Health Services Research (subsequently the Agency for Health Care Policy and Research)
- 1975-1977 Program Analyst, National Center for Health Services Research
- 1973-1975 Survey Research Supervisor, Decision Research Corporation, Wellesley, MA

OTHER TEACHING EXPERIENCE

Associate, Department of Health Policy and Management, School of Hygiene and Public Health, Johns Hopkins University (1993 to 1997).

Instructor, Department of Economics, University of Maryland, Baltimore County (Fall 1992).

HONORS

Evan G. and Helen G. Pattishall Outstanding Faculty Research Achievement Award, 2003, College of Health and Human Development, The Pennsylvania State University

Article of the Year Award for "Single Women and the Dynamics of Medicaid," 1999, Association for Health Services Research

Recognized in 1997 as a Fellow of the Association for Health Services Research for contributions to the field of health services research.

Yale Graduate Fellowship, 1977-1980

Phi Beta Kappa (elected 3rd year of Baccalaureate program), 1974

PROFESSIONAL ACTIVITIES

Advisory Groups American Cancer Society, Cancer Control and Prevention: Health Services and Health Policy grant review committee (2011 - 2014)
Institute of Medicine Committee on Cancer Survivorship (2004 -2005)
White House Task Force on Health Care Reform (1993)
Office of Management and Budget, Work Group on Health Care Reform (1991-92)

Journal referee Health Affairs Medical Care Research and Review
Medical Care CANCER
Health Services Research Inquiry
Journal of Clinical Oncology Journal of Cancer Survivorship
Journal of Health Economics

Memberships American Economic Association, AcademyHealth, International Health Economics Association, American Society of Health Economists
